

The Faculty of Mathematics and Natural Sciences
and the Faculty of Medicine
cordially invite to the

**INFO &
REGISTRATION
HERE!!!**

6th annual **ONLINE** **Symposium of Neuroscience**

Saturday, 21st November 2020, 10:00 - 17:15

Organised by the Student Council Neuroscience, University of Cologne

**Sebastian Lammers,
M. Sc.**

PhD Student,
**Social Cognition Group,
Research Centre Juelich**
*"I use behavioral and
neuroimaging methods to
learn about the intersection
of nonverbal behavior,
whole-body movements and
time perception."*

Dr. Julia Kirchhof

Prodigy CAP Product Owner,
Miltenyi Biotec

*"My main Task as a product owner is
the management of CAP projects.
This means taking care of timelines,
customer communication and team resources."*

Career Orientation Talks & Scientific Postersession

Sarah Salamon, M. Sc.

PhD Student
**Molecular and Cellular Pharmacology,
University of Cologne**

*"Our group investigates the physiological and
pathophysiological role of voltage-gated
calcium channels, wherein I focus on a
specific channel type with unique properties,
that is required for heartbeat,
neurotransmission, and auditory transduction."*

Iris Bomilcar, M. Sc.

PhD Student of PROPSAM,
**Institute of Psychiatry,
Federal University of Rio de Janeiro**

*"My research consists of exploring self-awareness
using perspective-taking methods and
theoretical formulations about selfhood and
identity in people with Alzheimer Disease.
I am also deeply interested and
working in cognitive stimulation therapies
for people with dementia."*

Consultation for Students

Samir Delonge, B. Sc.
Advisor of coordination for the Neuroscience programs (B.Sc. and M.Sc.)
Primary contact for all organizational questions
E-Mail: samir.delonge@uk-koeln.de

Prof. Dr. Dr. Kai Vogeley (Faculty of Medicine)
Coordinator of the bachelor's and master's programs in neuroscience
E-Mail: kai.vogeley@uk-koeln.de

Consultation for Prospective Students

Studierenden Service Center (SSC)

Universitätsstraße 22a
50937 Köln

Phone: +49 221 470-1021
Contact: www.zsb.uni-koeln.de/email
